

Metro Info for SurgCenter at Pima Crossing

Anesthesia care at SurgCenter at Pima Crossing is provided by "Metro" (Metro Anesthesia Consultants, PC,) a group comprised only of physicians certified by the American Board of Anesthesiology, and the American Heart Association.

With over 20 years of service in the valley, Metro manages care for over 20,000 patients per year. Their physicians excel and take pride in providing exemplary anesthesia care in ambulatory ("outpatient") surgical settings. To insure utmost patient satisfaction, comfort, and safety, Metro's doctors expertly employ multi-modal and preemptive analgesia, nausea prophylaxis, and the most advanced regional anesthetic techniques.

Prior to your procedure at SurgCenter Pima Crossing, a Metro Anesthesiologist will collaborate with you and your surgeon to develop an appropriate anesthetic plan, and address any questions or concerns you may have. Additional information regarding Metro Anesthesia Consultants, PC can be found at (link - <https://www.metroanesthesiaphoenix.com>).
